After carefully evaluating all possible outcomes and scenarios, and with our attendees' health and safety in mind, flanders.bio has decided to turn the 2020 edition of knowledge for growth into a **digital experience**

Join us on September 9 (State of the Union) & September 10 (knowledge for growth) together with 1200+ HIGH-LEVEL LIFE SCIENCES ACTORS FROM 600+ COMPANIES & ORGANISATIONS!

The cream of the Belgian life sciences community will attend the 16th edition of flanders.bio's annual knowledge for growth business conference, attracting decision makers from **biotech, pharma** and **medtech, agricultural** and **chemical industry** as well as **investors, universities, topnotch research institutes, policymakers** and **competence providers**.

Book your booth and showcase your company

We were happy to welcome 110+ companies representing the cream of the life sciences industry at last year's **knowledge for growth** conference. Join 2020!
