## **What is Innovation Express 2021?**

Innovation Express is designed as a quick response to the economic recovery after Covid-19

offering SMEs the possibility to widen their markets and develop new products and services with partners in Europe.

This first call, Innovation Express 2021 represents a common approach for supporting SMEs at international matchmaking and joint R&D projects in the fields of **“Artificial Intelligence in Healthcare Applications”** and **“Digital solutions in sustainable industry”**.

The Innovation Express 2021 call is open for proposals from May 17 until July 16.

During this period, professionals interested in participating in the call can schedule one-to-one meetings with their potential partners via the matchmaking platform.

In June, during the two online events, the call will be introduced and a live pitching and matchmaking session will be held. The participants are invited to create partnerships, leading to project proposals for the call Innovation Express 2021.

Two online webinars will be organized on **15th June** and **29th June 2021**.

**Register to join the webinars and participate at the matchmaking!**

The topics addressed during the two-hours webinars:

1. Introduction to the call
2. Eligibility criteria
3. Funding process
4. Q&A
