Sustainability Weeks @ Universities BaWü will take place from May 10 – 23, 2021. There will be a Baden-Wuerttemberg-wide digital programme as well as local events taking place at the participating universities, if possible. We are really looking forward to it!

### Organization of the Sustainability Weeks 2021

You want to participate in the organization of the next Sustainability Weeks? That's great! You can find more information on the page NWB 2021. We are looking forward to meet you!

The first events have been published and more are coming. The complete programme will be online at the beginning of May. There will be 150 events!
