The Start-up BW Summit is the highlight event of Start-up BW – the start-up campaign of Baden-Württemberg.

At the Start-up BW Summit start-ups, accelerators and ecosystems, corporates and SMEs, VCs and business angels from Baden-Württemberg, Germany, Europe and the world will meet to pitch, network, exchange ideas and learn from each other.

In addition to exhibition areas for start-ups and start-up ecosystems, AI initiatives and corporates the Start-up BW Summit offers a VC Lounge for investment meetings as well as a pitch competition and a varied conference program with the participation of top politicians.

This year's Start-up BW Summit is strongly focusing on artificial intelligence and will be organized in cooperation with the Tübingen AI Center, one of Germany's six national AI centers of excellence. It will take place at the Landesmesse Stuttgart.

## Start-ups can apply now:

150 to 200 selected technology-oriented start-ups from the B-to-B sector are given the opportunity to present their start-up with an exhibition stand at this summit.

Take the chance, become part of THE start-up LÄND at this year's Start-up BW Summit and apply for an exhibition stand in the following industry and technology fields:

- Artificial Intelligence
- Energy & Environment
- E-Services & FinTech
- Life Sciences & MedTech
- Manufacturing & Mobility
- Social Innovation & GovTech
- Software & IT Security

## Registration ecosystems and initiatives

We reserved some special limited places for ecosystems and AI initiatives from all over the world. The costs for the stand depend on the stand type. You can choose between a small and a large exhibition package.

More information about the stand packages are following soon...

## Registration corporates and SMEs

A limited number of exclusive exhibition spaces for a selected group of corporates and SMEs is reserved. The costs for the stand depend on the number of square meters booked.
